

C29 is a new restaurant fashioned after Capo in Santa Monica that has been open 26 years. As ambitious as we would like to be, we serve a limited menu until we open at 61 Main St. C29 is about a great wine list, the finest ingredients we can find, prepared with classic techniques made simple, in an environment of fine art & warm lighting, elegant table settings & glassware. In spring of 2025 we will move to our new St Helena location, with an expanded menu & wine list, seasoned staff & the best we can offer Napa Valley.
